Dear Ms Caines,

**Weir Training Limited Ofsted Inspection**

I was delighted to hear that Weir Training Limited has been judged outstanding following its recent Ofsted inspection and would like to extend my personal congratulations. This is even more of a remarkable achievement given the more rigorous and robust inspection regime.

Weir Training Limited is an important contributor to independent learning providers, and is an exemplar for others to emulate.

On behalf of the Education and Skills Funding Agency (ESFA) I would like to congratulate all at Weir Training Limited on your Outstanding result. We very much appreciate the hard work and dedication you, your staff, your board and the learners themselves have put into attaining this level of excellence.

With my very best wishes

Eileen,
